

When we step out in obedience
to our Savior, we have 100% success.
God is looking for people who will take
His love story to a world of hurting people.
We have the glorious opportunity
to get in on the heart of God.
May God bless your commitment.

FIVE STEPS TO A "Harvest Project"

The Harvest Card

This simple process of using a “Harvest Card” was first introduced by the Billy Graham Evangelistic Association and has been adapted for Harvest North America with their permission. The “Harvest Card” is a simple five-step plan designed to help Christians reach out to people they know who need Jesus Christ.

You can make a difference in your community!

 **STEP ONE:** List the names of people in your mission field. Your field is where you live: your family members, neighbors, friends, co-workers and school mates, people you know who need Jesus!

 **STEP TWO:** God changes people through prayer. Pray daily, for those on your list, that God will give them a receptive heart and give you opportunity to share His love with them.

 **STEP THREE:** Build or continue sincere friendships with each person on your list. Show them kindness by spending time with them. Invite them to your home or share a meal or coffee with them. Authentic friendship creates confidence.

 **STEP FOUR:** Make every effort to schedule a visit with every person on your Harvest Card. During the Church Growth Project opportunity so that you and your you can share your personal story of how Christ changed your life.

 **STEP FIVE :** Commit to nurture and support the new believers in their growth and continue to love and support those who do not respond right away.
